

our generation will be known for nothing.

never will anybody say,  
we were the peak of mankind.

that is wrong, the truth is  
our generation was a failure.

thinking that  
we actually succeeded  
is a waste.

and we know  
living only for money and power  
is the way to go.

being loving, respectful, and kind  
is the thing to do.

forgetting about that time,  
will not be easy, but we will try.

changing our world for the better  
is something we never did.

giving up  
was how we handled our problems.

working hard  
was a joke.

we knew that  
people thought we couldn't come back  
that might be true,

unless we turn things around

unless we turn things around

unless we turn things around

that might be true,  
people thought we couldn't come back  
we knew that  
was a joke.

working hard  
was how we handled our problems.

giving up  
is something we never did.

changing our world for the better  
will not be easy, but we will try.

forgetting about that time,  
is a dumb thing to do.

being loving, respectful, and kind  
is the way to go.

living only for money and power  
is a waste.

and we know  
we actually succeeded  
thinking that  
our generation was a failure.

that is wrong, the truth is  
we were the peak of mankind.

never will anybody say,  
our generation will be known for nothing.

our generation will be known for nothing.

our generation will be known for nothing.

our generation will be known for nothing.

never will anybody say,  
we were the peak of mankind.

we were the peak of mankind.

never will anybody say,

we were the peak of mankind.

never will anybody say,

and we know

and we know  
living only for money and power

and we know  
changing our world for the better  
is the way to go.

and we know  
changing our world for the better  
is the way to go.

is the way to go.

is the way to go.

changing our world for the better  
is something we never did.

is something we never did.

changing our world for the better

our generation
