## how it works

based off the game MASH, story of my life gives you certain categories to determine aspects of your life like your friend group or what type of home you'll live in. each category will have a selection of choices and your story will be randomly chosen for you and presented with a photo and story to go with it. once you've gone through each category all of your results will be presented in a photo album find out what the story of your life could be like...

### friendsgiving

As they sit in Monica's living room in food comas, the sixsome reminisces about bad Thanksgivings: Ross laments his current dual divorce-eviction state; Phoebe goes back to a past life in the thick of the Revolutionary War; Chandler recalls his parents' divorce, followed by the houseboy/his father's lover asking, "More turkey, Mr. Chandler?"; and Joey looks back on 1992 (pre-Friends) when he got his head stuck in a turkey in an effort to scare Chandler.
